

Applicant for:

Android Developer (Java/Kotlin) ~ 1800\$

Dr.JOY

15 June 2020

Thao Dinh

✉ thaond.firecoals@gmail.com

Main interests: Android, Java

What skills, work projects or achievements make you a strong candidate for this position?

Dear company,

I'm Thao, I have more than 5 years of experience in Android programming, I did in-depth research and worked a lot on Android OS when I worked for Samsung. I think the work at Dr.JOY is very suitable for me and I believe that with my skill and experiences I'll do my job well in position Senior Android Developer.

Sincerely,

"Hiring the wrong person is the most costly mistake you can make." - Brian Tracy
