

Applicant for:

## Senior/Middle Java Engineer ~Upto 2,000\$

Dr.JOY

21 April 2021

---

### Nguyễn Việt Anh

✉ anhnv.ht@gmail.com

Main interests: Android, iOS

#### ***What skills, work projects or achievements make you a strong candidate for this position?***

I have nearly 10 years experience working in Japanese IT company. I have a deep understanding of the Java programming language and am also able to quickly learn new programming languages and technologies. In addition, product development thinking is also my strength. I am confident that I can fulfill all assigned tasks to contribute to the development of the company.
