Date of Birth : 03/04/1992
Gender : Male
Marital Status : Single
Health : Good
Phone : 0969560492
Email : peon.phonex@gmail.com
University : Hanoi University of Science and Technology
Grade : HEDSPI –IS2 –K55

PERSONAL SUMMARY:

There are some things about me. I want to share with you. First of all, I always find that I am an energetic and enthusiastic person who wants to face challenges and try to achieve personal goals. In addition to this, I also have a strong desire to boost my practical skills and to enrich my theoretical knowledge in wide range of areas. Furthermore, I am a social person with ability to connect people together. In terms of occupation, my present career aim is to work within the technical area due to the fact that I always enjoy working with computer; therefore, I quite keen on the environment and I find that it is really interesting and satisfying when devoting myself in the area. In fact, the opportunities to learn useful skills and to work with new technologies are fairly attractive to me.

All in all, with regarding to my career, i think that i need a great environmet to show off my abilities simply because I argue that it will help me to open the door to get a success in this area. Hence, i strongly believe that if i work in your company, it will be a better opportunity for my career.
