

Applicant for:

Android Developer (Java/Kotlin) ~ 2000\$

Dr.JOY

24 March 2020

Đỗ Văn Thảo

✉ thaadv.bkit@gmail.com

Main interests: Android, iOS

What skills, work projects or achievements make you a strong candidate for this position?

Dear recruiters,

My name is Thao. I think I am the best candidate for you.

I have 8+ years experience in Android development with Java and Kotlin. I have product mindset and very suitable for start-up environment. I have been working for long-term projects which have million downloads on Play Store. Please see my resume for my working experiences.

Thank you very much.
