Applicant for:

Web Backend Developer (Java) ~$2,000

Dr.JOY

14 April 2020

Phong, Trinh Nam

✉ phongtn.group1@gmail.com

Main interests: Java, Python

What skills, work projects or achievements make you a strong candidate for this position?

Hi

I'm Phong, I'm a software engineering at Ha Noi, Viet Nam. I have 9+ years of experience working as a backend programmer with more than 5 years of experience as software architecture. My addiction to the experience in the design and operation of systems capable of instant expansion, high load (20K CCU, handle >1M request per hour)

Please review my attached resume for additional details regarding my expertise and career achievements.

Thank you for your time and consideration.

Sincerely

Dong Da, Ha Noi
