EDUCATION

Academy of Cryptography Techniques
Minor in Information Security • Thanh Tri, Hanoi, Vietnam • Hanoi • 2022 • 2.84

COURSEWORK

Microsoft Azure Administrator
NGN Academy • Cloud Managing • 2021

Kubernetes Administrator
Tel4vn Center • Linux, CD Skill • 2019
Manage, deploy, schedule, maintain Kubernetes-EcoSystem.

Docker
Tel4vn Center • Linux, Container • 2019
Build Docker Image, write Dockerfile, deploy container and containize Application

Linux Professional Institute 1 and 2
ACT Academy • Linux, System, Network • 2018
Manage service, create and maintain network on Linux Server like Ubuntu, Centos, Debian or openSURE

CCNAv6
ACT Academy • Network • 2017
learn knowledge about Network, Protocol, TCP/IP Model, OSI model

SKILLS

Docker	**Python**
Kubernetes	**Basic Web Programming**
C	**VMware Visualization**
Ansible	**C#**
Jenkins	**.NET**
ELK	**Automating Test**
Linux	**Nodejs**
CCNAv6	
Basic SQL	
Bash Shell	
Java
