CANDIDATE ASSESSMENT REPORT

For: DR. JOY

Re: IOS Developer

MR. DOAN VAN LOC

Navigos Search's Assessment

Qualifications and Experience

- Mr. Loc was graduated from Hanoi University of Science and Technology, major in Electronics and Technology.
- He has over 5 years working experience in IT industry, specially, with over 3 years in role of iOS Developer (using Objective C) and 2 years in role of Android Developer (using Java), that gave him the deep knowledge of mobile development process and master skills in full module such as planning, coding, testing and launching the software/application.

Critical Skills

- Strong with Objective C/Swift for Ios; Java for Android; and flexible to swap the role between iOS and Android platform.
- Good logical thinking and sharpen with new technologies.
- Passion with mobile code and dynamic searching for new applications of this domain.

Motivation

- He would like to challenge himself with the opportunities such as the iOS Developer of Dr. Joy.

Income

- Current salary: 30 Mio VND (net)/month _ 13th ~14th month salary per year
- Expected salary: 35 Mio VND (net)/month_ Open to negotiation

Availability

- To be discussed upon confirmation of offer
